# CONFIDENT. BEAUTIFUL. FROM THE INSIDE OUT.

Douglas Laboratories® develops new products based on the latest science to provide unique solutions for healthcare practitioners. Our researched-based formulas target 10 key health functions that support healthy aging and active lifestyles.†

Comprised of PhDs in nutrition, registered dietitians and nutritionists, our in-house product development team works with expert clinical advisors to co-develop cutting-edge formulas and practical clinical protocols in key therapeutic categories.

**DOUGLAS LABORATORIES** | PUSHING POTENTIAL.

## OUR STORY

Nutritional supplement usage is commonplace, with millions of people taking one every day. Yet back in 1955, when the Douglas Laboratories® story began, supplements were not part of the mainstream. Company founder Sam Lioon was a nutritional pioneer. He saw an opportunity to help Americans improve their health, and began selling nutritional supplements directly to healthcare professionals. From that humble beginning, Douglas Laboratories has grown into a globally recognized leader in the development and manufacturing of innovative, science-based nutritional supplements, designed to help healthcare practitioners who are focused on the healthy aging and active lifestyles of their clients.†

## MANUFACTURING PRACTICES AND CERTIFICATIONS

- cGMPs for nutritional supplements in accordance with 21 CFR Part 111
- NSF International has registered Douglas Laboratories® as a GMP manufacturing facility
- ISO/IEC 17025:2005 accreditation of in-house laboratories
- VCP (Vendor Certification Program) to ensure raw material quality
- Approved facility to produce NSF Certified for Sport® products
- Member of Council For Responsible Nutrition

## BEAUTY BOXES

Dual-formula kits specifically designed to support the health of hair, nails and skin<sup>†</sup>

### FEATURES

- 1-month supply of Skin Protect<sup>†</sup> and Skin Nourish or Ultra HNS and QÜELL Fish Oil<sup>®</sup> EFA Plus
- Patient-friendly brochure with dosing recommendations

## Beauty Box

Formula	Size
66857	2 Bottles / 1 Box

The Beauty Box contains two complementary formulas to support beauty from within.<sup>†</sup> Ultra HNS supplies high-dose biotin, methylfolate, vitamin C and zinc, along with Cynatine<sup>®</sup> HNS, a patented, solubilized keratin for the health of hair, nails and skin.<sup>†</sup> QÜELL Fish Oil<sup>®</sup> EFA Plus contains supercritical, CO<sub>2</sub>-extracted EPA and DHA for ultimate purity and concentration. It also contains organic borage seed oil to provide GLA and astaxanthin, an important carotenoid, to further support skin health.<sup>†</sup> A patient brochure is included in the package.

## QÜELL Fish Oil<sup>®</sup> EFA Plus

<b>Formula</b> 202260	<b>Size</b> 60 Softgels
<b>Suggested Usage:</b> 2 daily	

See product details on page 7.

## Ultra HNS Hair, Nails, Skin Formula

<b>Formula</b> 201345	<b>Size</b> 90 Vegetarian Capsules
<b>Suggested Usage:</b> 3 daily	

Visit douglaslabs.com to view product details.

Cynatine<sup>®</sup> HNS is a registered trademark of Roxlor, LLC.

## Beauty Box Skin Support<sup>†</sup>

Formula	Size
66860	2 Bottles / 1 Box

The Beauty Box Skin Support<sup>†</sup> contains two complementary formulas to support skin health.<sup>†</sup> The Skin Nourish formula includes a specialized nutrient blend of clinically studied ingredients containing polyphenolic compounds from grape seed, superoxide dismutase concentrate from melon, vitamin C and zinc. Together, these nutrients work within the body to provide skin radiance, hydration, and a nourished appearance.<sup>†</sup> Skin Protect<sup>†</sup> delivers a clinically studied combination of the antioxidants carnosic acid, lycopene, phytoene, and phytofluene to defend the skin from the effects of UV light exposure and environmental stresses.<sup>†</sup>

## Skin Nourish

<b>Formula</b> 202269	<b>Size</b> 30 Vegetarian Capsules
<b>Suggested Usage:</b> 1 daily	

See product details on page 6.

## Skin Protect<sup>†</sup>

<b>Formula</b> 202277	<b>Size</b> 60 Softgels
<b>Suggested Usage:</b> 2 daily	

See product details on page 5.

## Hydrolyzed Collagen Plus with Hyaluronic acid

**Formula** **Size**

57717P 84 Grams Powder

**Suggested Usage:** 1 scoop, twice daily

Hydrolyzed Collagen Plus is a unique formulation and healthy hydration beverage for skin health.<sup>†</sup> Collagen with hyaluronic acid and co-factors supports healthy collagen production and skin elasticity, as well as hydration.<sup>†</sup> Hydrolyzed collagen peptides (from bovine) provide a source of essential and non-essential amino acids involved in collagen formation within the skin's dermis layer. Vitamin and mineral co-factors including vitamin C help with connective tissue formation, while copper and zinc help link collagen threads together.<sup>†</sup> This powdered formula is specially designed to dissolve clear and flavorless in liquid.

### SUPPLEMENT FACTS

Serving Size 1 Scoop (approx. 1.4 grams) • Servings Per Container 60

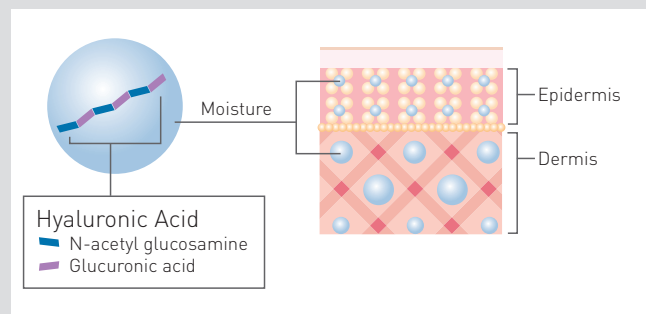

Amount Per Serving	%DV
Vitamin C (as ascorbic acid) .....	50 mg 56%
Zinc (from zinc gluconate) .....	0.8 mg 7%
Copper (from copper gluconate) .....	0.1 mg 11%
Hydrolyzed collagen (from bovine) .....	1.25 g *
Hyaluronic acid (as sodium hyaluronate) .....	50 mg *

\*Daily Value (DV) not established.

Other ingredients: none.

### Hyaluronic Acid

More than 50% of the body's hyaluronic acid is present in the skin, where it plays a major role maintaining extracellular spaces, preserving tissue hydration and facilitating the transport of ion solutes and nutrients to cells in the upper layer due to its water-retaining capacity.<sup>†</sup> HA supports the skin by promoting healthy turnover and renewal of keratinocytes.<sup>†</sup> Low molecular weight hyaluronic acid is efficiently absorbed by the body when orally ingested.<sup>†</sup>

- Hydrolyzed collagen and hyaluronic acid are backed by clinical research demonstrating support for skin elasticity, hydration and appearance.<sup>†</sup>

## Skin Protect<sup>†</sup>

**Formula** **Size**

202277 60 Softgels

**Suggested Usage:** 2 daily

Skin Protect<sup>†</sup> delivers a clinically studied combination of the antioxidants carnosic acid, lycopene, phytoene, and phytofluene to promote healthy skin from the inside out, while helping to protect skin from the effects of UV sunlight exposure and environmental stresses.<sup>†</sup>

### SUPPLEMENT FACTS

Serving Size 1 Softgel • Servings Per Container 60

Amount Per Serving	%DV
Standardized Tomato Fruit Extract .....	200 mg *
Providing:	
Lycopene .....	7.5 mg
Natural mixed tocopherols .....	2.8 mg
Phytoene and phytofluene .....	2.9 mg
Carnosic acid (from rosemary leaf extract) .....	2 mg *

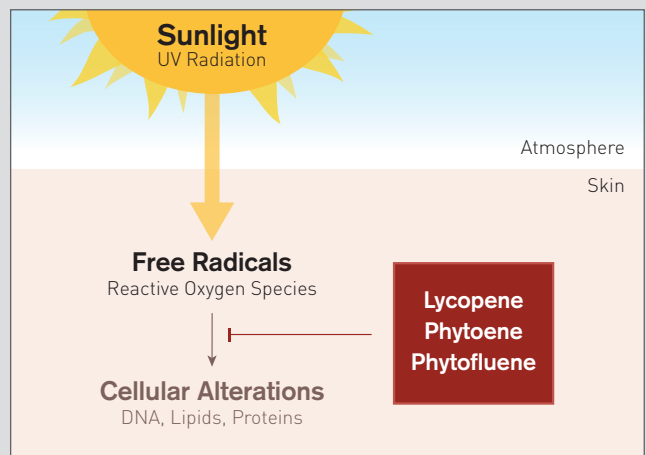

\*Daily Value (DV) not established.

Other ingredients: Bovine gelatin, medium chain triglycerides, glycerin, purified water, annatto extract.

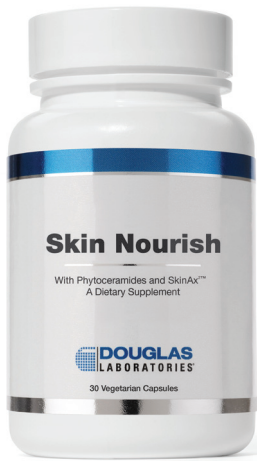

Lycored Nutrient Complex Technology Inside. Lycored Nutrient Complex is a registered trademark. US Patents: 5,837,311; 6,797,303 82; 5,965,183; 2010/023256 A1.

### Carotenoids Contribute to Skin Protection<sup>†</sup>

Premature aging of the skin can be caused by exposure to the sun's UVA and UVB light, as well as other stresses causing cell damage in the epidermis. Carotenoids are antioxidants that are present in human skin and contribute to ultraviolet (UV) light protection.<sup>†</sup> Naturally occurring carotenoids lycopene, phytoene and phytofluene from tomato fruit extract have been shown to help protect the skin more effectively than synthetic lycopene.<sup>†</sup>

<sup>†</sup>These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

Skin Nourish offers a special skin nutrient blend containing polyphenolic compounds from grape seed, SOD from melon, vitamin C, and zinc, which are primary and secondary antioxidants that support the appearance of radiant skin color, contrast and integrity.<sup>†</sup> Phytoceramides work in the skin’s epidermis layer to help retain moisture and improve the appearance

of wrinkles and elasticity.<sup>†</sup> Silica supplied by bamboo plays a role in maintaining skin elasticity and collagen production.<sup>†</sup> Together, these nutrients work within the body to provide skin radiance, hydration, and a nourished appearance.<sup>†</sup>

[ Formulated by Shelena Lalji, M.D. ]<sup>††</sup>

## Skin Nourish

Formula	Size
202269	30 Vegetarian Capsules
Suggested Usage: 1 daily	

### SUPPLEMENT FACTS

Serving Size 1 Vegetarian Capsule • Servings Per Container 30

Amount Per Serving		%DV
Vitamin C (as ascorbic acid).....	12 mg	20%
Zinc (as zinc citrate).....	4 mg	15%
Polyphenols (from grape seed extract <i>Vitis Vinifera</i> ) .....	105 mg	*
Total flavanols monomers .....	42 mg	
Total flavanols oligomers.....	12 mg	
Superoxide dismutase (SOD).....	31.5 IU	*
(coated dried melon juice concentrate (fruit) <i>Cucumis melo</i> )		
Ceramosides™ .....	30 mg	*
(Ceramide wheat seed extract ( <i>Triticum vulgare</i> ) [standardized to 50% glycosylceramides, 40% digalactosyl diglyceride (DGDG)])		
Bamboo extract ( <i>Bambusa spp.</i> , stem) .....	100 mg	*
(providing 50% silica)		

\*Daily Value (DV) not established.

Other ingredients: Hydroxypropyl methylcellulose (capsule), cellulose, ascorbyl palmitate, silica, vegetable stearate, coating ingredients (ethylcellulose and palm oil).

SkinAx<sup>2™</sup> is a trademark of Activ<sup>®</sup> Inside.

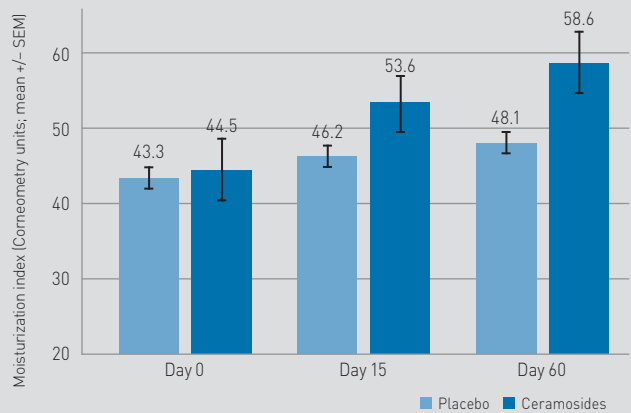

Ceramosides<sup>™</sup> is a trademark of EPI France.

## SkinAx<sup>2™</sup> and Ceramosides<sup>™</sup> Promote Skin Hydration and Radiance<sup>†</sup>

As we age, skin production of collagen declines, which can impact skin elasticity and moisture retention. In addition, environmental stressors can result in damage to the skin cells, which may cause changes in coloration and turnover. SkinAx<sup>2™</sup> is a specialized nutrient blend of clinically studied ingredients containing polyphenolic compounds from grape seed, superoxide dismutase concentrate from melon, vitamin C, and zinc. These are antioxidants that promote skin radiance by supporting healthy skin color, elasticity, and facial luminosity.<sup>†</sup>

Lipids called ceramides from wheat seed oil are the major constituents between the skin’s layers that hold in moisture. Ceramosides<sup>™</sup> phytoceramides have been shown to help support skin moisture 15 days after being taken orally.<sup>†</sup>

### Skin moisture with Ceramosides<sup>™</sup> supplementation

# FOUNDATION

This unique essential fatty acid formula utilizes the QÜELL Fish Oil® Supercritical CO<sub>2</sub>-extracted EPA and DHA for ultimate purity and concentration. It also contains organic borage seed oil to provide GLA and astaxanthin, an important carotenoid, to help support skin, joints, and eye moisture.†

## QÜELL Fish Oil® EFA Plus

Formula	Size
202260	60 Softgels

Suggested Usage: 2 daily

### SUPPLEMENT FACTS

Serving Size 2 Softgels • Servings Per Container 30

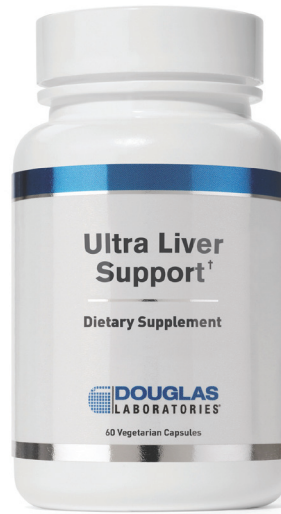

Amount Per Serving	%DV
Calories.....	10
Calories from Fat.....	10
Total Fat.....	1 g 2% <sup>^</sup>
Vitamin A (as retinyl palmitate).....	500 IU 10%
Vitamin C (as ascorbic acid).....	50 mg 83%
Vitamin D <sub>3</sub> (as cholecalciferol).....	1,000 IU 250%
Vitamin B <sub>6</sub> (as pyridoxine HCl).....	25 mg 1250%
Magnesium (from magnesium glycinate).....	100 mg 25%
Omega-3 Supercritical CO <sub>2</sub> Triglyceride Concentrate.....	750 mg *
Providing:	
EPA (Eicosapentaenoic acid).....	340 mg *
DHA (Docosahexaenoic acid).....	220 mg *
GLA (from organic borage seed oil).....	100 mg *
Astaxanthin.....	1.5 mg *

\*Daily Value (DV) not established.

<sup>^</sup>Percent Daily Value (DV) based on a 2,000 calorie diet.

Other ingredients: Sunflower lecithin, beeswax, capsule (gelatin from fish [tilapia], glycerin, water, carob).

This product contains fish oil (anchovies, sardines, mackerel).

Ultra Liver Support<sup>†</sup> contains herbal and cruciferous ingredients to help support liver function and detoxification.<sup>†</sup> This formula contains broccoli sprout extract standardized to sulforaphanes and *Wasabia japonica* containing ITCs to support phase II activity in the liver and activation of Nrf2 for detoxification.<sup>†</sup>

## Ultra Liver Support<sup>†</sup>

Formula	Size
202315	60 Vegetarian Capsules

Suggested Usage: 2-4 daily

### SUPPLEMENT FACTS

Serving Size 2 Vegetarian Capsules • Servings Per Container 30

Amount Per Serving	%DV
Barberry Extract.....	250 mg *
( <i>Berberis vulgaris</i> , root and stem)	
Dandelion ( <i>Taraxacum officinale</i> , root).....	250 mg *
Bilberry Extract.....	200 mg *
( <i>Vaccinium myrtillus</i> , fruit) [Standardized to provide 25% anthocyanidins]	
Milk Thistle Extract.....	175 mg *
( <i>Silybum marianum</i> , fruit) [Standardize to provide 80% silymarin]	
Artichoke Extract ( <i>Cynara scolymus</i> , leaf).....	150 mg *
Schisandra Extract.....	150 mg *
( <i>Schisandra chinensis</i> , fruit) [Standardized to 2% schizandrins]	
Broccoli Extract.....	125 mg *
( <i>Brassica oleracea l.</i> , sprout) [Standardized to 500 mcg of sulforaphane]	
<i>Wasabia japonica</i> (rhizome).....	50 mg *
(Providing 600 mcg of isothiocyanates)	

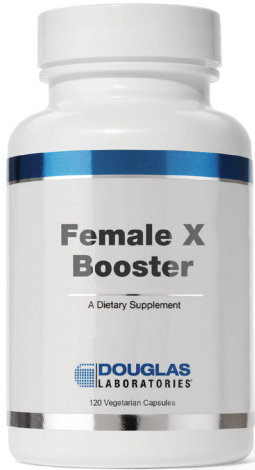

\*Daily Value (DV) not established.

Other ingredients: Hydroxypropyl methylcellulose (capsule), ascorbyl palmitate, silica, and cellulose.

# HORMONE

The Female X Booster formula supports many of the physiological mechanisms involved in maintaining female sexual health.<sup>†</sup> These include the support of general vascular function, healthy stress responses, and overall well-being.<sup>†</sup> Black cohosh (*Cimicifuga racemosa*) supports physical and sexual drive in post-menopausal women, as indicated by the “sexuality domain” of clinical reporting scales used in studies.<sup>†</sup>

*Panax Ginseng* may have mild estrogenic effects on reproductive tissues in addition to its ability to moderate the effects of stress on the nervous system, a function that is shared by other adaptogens in this formula, such as *Eleutherococcus senticosus* (Siberian Ginseng) and Ashwagandha (*Withania somnifera*). Muira Puama (*Ptychopetalum olacoides*) is a traditionally used Brazilian adaptogen to support arousal.<sup>†</sup>

[ Formulated by Shelena Lalji, M.D. & Joseph J. Collins, R.N., N.D. ]<sup>††</sup>

\*Daily Value (DV) not established.

Other ingredients: Hydroxypropyl methylcellulose (capsule), microcrystalline cellulose, ascorbyl palmitate, silica.

## HEART & METABOLIC

MitoTone Plus is a unique dietary supplement designed to provide a broad spectrum of beneficial nutrients to support mitochondrial energy production and healthy aging.<sup>†</sup> Mitochondria serve as the powerhouse of the cell and their proper functioning is essential to the aging process. Specific nutrients that influence the electron transport chain function and provide antioxidant protection appear to nutritionally support healthy mitochondrial function.<sup>†</sup> This product features adenosylcobalamin, the major form of vitamin B<sub>12</sub> stored in

the mitochondria of cellular tissues. Pterostilbene, a methylated resveratrol, has superior bioavailability with a longer half-life than resveratrol, and may help to prevent free radical damage that can lead to premature aging of cells.<sup>†</sup>

[ Formulated by Daniel Kalish, D.C.]<sup>††</sup>

### MitoTone Plus

Formula	Size
202317	90 Vegetarian Capsules

Suggested Usage: 3 daily

#### SUPPLEMENT FACTS

pTeroPure™ is a trademarked material from ChromaDex

<sup>††</sup>Our Clinical Advisors have been retained as medical consultants in advising Douglas Laboratories.

## VITAMINS, MINERALS & AMINO ACIDS

### Methyl Folate 5 mg

Formula	Size
202268	60 Vegetarian Capsules

Suggested Usage: 1 daily

Methyl Folate supplies 5 mg of biologically active folate called (6S) 5-methyltetrahydrofolate (5-MTHF). 5-MTHF is the naturally occurring, predominant form of folate commonly found in cells and is essential for overall health, as it participates as a cofactor in a reaction that involves the remethylation of homocysteine to methionine. Quatrefolic® is a highly soluble glucosamine salt of 5-MTHF that has demonstrated more rapid absorption than folic acid.<sup>†</sup>

#### SUPPLEMENT FACTS

Serving Size 1 Vegetarian Capsule • Servings Per Container 60

Amount Per Serving	%DV
Folate.....	5 mg 1,250%
(as Quatrefolic® (6S)-5-Methyltetrahydrofolic acid, glucosamine salt)	

\*Daily Value (DV) not established.

Other ingredients: Microcrystalline cellulose and hydroxypropyl methylcellulose (capsule).

Quatrefolic® is a registered trademark of Gnosis S.p.A. Patent No. 7,947,662

### Vitamin B12 Formulated with Hydroxycobalamin

Formula	Size
202314	60 Lozenges

Suggested Usage: 1 daily

Vitamin B12 Formulated with Hydroxycobalamin is a great tasting natural black cherry/vanilla flavored lozenge designed to be dissolved in the mouth, then swallowed. This convenient delivery form also provides enhanced bioavailability of vitamin B<sub>12</sub>. Hydroxycobalamin is a precursor form of vitamin B<sub>12</sub> converted in the body to both methylcobalamin and adenosylcobalamin.

#### SUPPLEMENT FACTS

Serving Size 1 Lozenge • Servings Per Container 60

Amount Per Serving	%DV
Vitamin B <sub>12</sub> (as hydroxycobalamin).....	2,500 mcg 104,166%

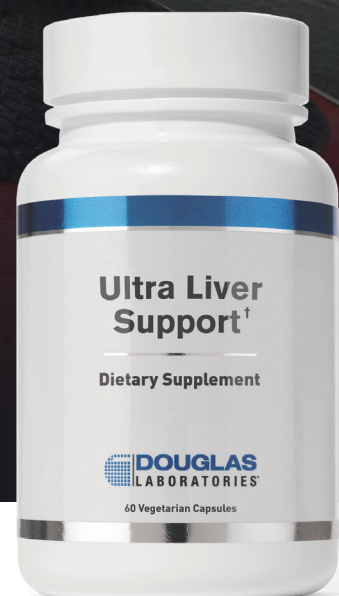

\*Daily Value (DV) not established.

Other ingredients: Xylitol, mannitol, natural black cherry and natural vanilla flavor, carboxymethylcellulose, and ascorbyl palmitate.

**YOUR CLIENTS DON'T  
WANT TO JUST LIVE LONGER.  
THEY WANT TO LIVE LARGER.**

Douglas Laboratories® researches, develops and manufactures the right suite of rigorously designed, science-based, healthy aging supplements, and provides customized practice support. With a 60-year heritage of innovating and designing products to meet the needs of healthcare professionals, we push the potential of both clinical practices and patients to continually perform at their personal best, today and in the future. Douglas Laboratories is both GMP and NSF International registered, and is approved to produce NSF Certified for Sport® products.†
