Astragalus Max-V

DESCRIPTION
Astragalus Max-V, provided by Douglas Laboratories, supplies 500 mg of standardized astragalus in a vegetarian capsule.

FUNCTIONS
Used since ancient times in Traditional Chinese Medicine, Astragalus (*Astragalus membranaceus*) is an important supplement for both eastern and western herbalists. Often used in combination with other herbs, Astragalus has many uses, but is mostly known for its immune-stimulating properties. Numerous studies have indicated that Astragalus can have beneficial effects on the immune system. The herb also has shown to have supportive effects to the cardiovascular, renal and hepatic systems.

INDICATIONS
Astragalus Max-V may be a useful dietary supplement for individuals wishing to support their immune system.

FORMULA (#77304)
Each Vegetarian Capsule Contains:
Astragalus ...............................................................500 mg
(*Astragalus membranaceus*, root)
Standardized to provide 1.5 mg astragalosides
Astragalu (non-standardized)....................................50 mg

Other ingredients: Hyrdoxypropyl methylcellulose (capsule), vegetable stearate

SUGGESTED USE
Adults take 1 capsule twice daily in between meals or as directed by a healthcare professional. If digestive irritation occurs, take with food.

SIDE EFFECTS
No adverse side effects have been reported.
If pregnant or lactating, consult a physician prior to use.

STORAGE
Store in a cool, dry place, away from direct light. Keep out of reach of children.
