Licorice Root-V
(Glycyrrhizin)

DESCRIPTION
Licorice Root-V, provided by Douglas Laboratories, supplies 500 mg of licorice root standardized to 12% glycyrrhizin per each vegetarian capsule.

FUNCTIONS
Licorice has been used in Traditional Chinese Medicine for hundreds of years to support the body, including the gastrointestinal system. It was often used as a demulcent, to soothe and coat the stomach and throat. This product is standardized to provide glycyrrhizin for those who wish to supplement with this natural ingredient. Licorice Root (Glycyrrhiza glabra L.) contains a glycoside (glycyrrhizin), flavonoids, asparagine, isoflavonoids, chalcones and coumarins. This extract is standardized to contain 12% glycyrrhizin. If you have or are susceptible to high blood pressure, the deglycyrrhizinated form is recommended.

INDICATIONS
Licorice Root-V may be a useful dietary adjunct for individuals wishing to supplement with this popular herb.

FORMULA (#77356)
1 Vegetarian capsule Contains:
Licorice Herbal Extract (root)................. 500 mg
(Glycyrrhiza glabra L.)
Standardized to provide
60 mg glycyrrhizin (12%)

SUGGESTED USE
Adults take 1 capsule, 1 to 2 times daily between meals or as directed by a healthcare professional. If digestive irritation occurs, take with food.

Cautions: Prolonged use of large amounts may lead to higher blood levels of sodium and lower potassium, causing edema, hypertension and heart problems; adrenal depletion may also occur. If you are pregnant or nursing, have a history of renal failure or are currently using cardiac glycosides, consult your health care professional before using this product.

SIDE EFFECTS
No adverse side effects have been reported.

STORAGE
Store in a cool, dry place, away from direct light. Keep out of reach of children.
