Goldenseal (*Hydrastis canadensis*) root has an extensive history of use by Native American healers. Goldenseal contains the alkaloids hydrastine, berberine, canadine and berberastine. This extract is standardized to contain 10% alkaloids (5% hydrastine).

Suggested Usage: As a dietary supplement, adults take 1 capsule 1 to 2 times daily between meals, or as advised by your healthcare professional. If digestive irritation occurs, take with meals.

Stop use and consult your health care professional if allergic reactions occur. Warning: Not for use during pregnancy; there is a possibility of abortion. Do not use over one gram per day internally; it can cause central nervous system depression. Do not use for more than one week at a time.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place.
(59°-77°F/15°-25°C) (35-65% relative humidity)
Tampor resistant package, do not use if outer seal is missing.
