Warning: This product contains salicylates. Do not combine this product with other products containing salicylates, such as aspirin or Oil of Wintergreen. Do not take this product if you are pregnant, trying to get pregnant, or nursing. Children under the age of 16 who have a cold, influenza, chickenpox, or other viral illness should NOT use this product. Using salicylates may result in Reye's syndrome, a potentially fatal condition. Individuals with stomach problems or ulcers should consult their physician before using this product. If you are taking any prescription medications consult your physician before using this product. Individuals with concerns about blood clotting or who are taking medications that alter blood clotting should consult with their physician before taking this product. Use of this product may result in stomach upset, nausea or ringing of the ears.

Suggested Usage: As a dietary supplement, adults take 1 capsule, 2 to 3 times daily between meals or as advised by your healthcare professional. If digestive irritation occurs, take with meals.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place.
