

Cholo-SYN™

Cardiovascular Health

DESCRIPTION

Cholo-SYN™, provided by Douglas Laboratories, is a synergistic blend of vitamins, minerals and other nutrients. Available in easy to swallow capsules, Cholo-SYN™ has been carefully formulated to provide a wide variety of ingredients well suited for cardiovascular support.

FUNCTIONS

Studies show that a high percentage of adults in North America and other developed countries eat less than the minimum daily allowance of 10 or more essential nutrients. Adequate amounts and proper balance of these nutrients are needed not only for maintaining good health, but also for the dietary management of the body's structure as well as the optimum functioning of its various systems, including the cardiovascular system. Certain nutrients such as beta-carotene, vitamin C, vitamin E and B-complex vitamins play vital roles in antioxidant protection, energy production and maintenance of healthy blood cells, nervous system, hormonal balance, and more. Minerals and trace elements are provided in their safest and most bioavailable forms.

Each of the ingredients in Cholo-SYN™ is specifically selected and quality tested to provide a unique, synergistically active formula:

- Guar gum works to bind bile acids and cholesterol
- Lecithin (soya) plays a key role in the emulsification and mobilization of fats and cholesterol
- Niacin and inositol hexanicinate support the proper metabolism of fat and cholesterol
- Garlic is rich in a wide spectrum of organic sulfur compounds that can have significant cardiovascular and immuno-supportive effects

- Bioflavonoids, including rutin, provide support for a healthy circulatory system and are potent antioxidants.

INDICATIONS

Cholo-SYN™ may be a useful dietary supplement for individuals wishing to support the healthy structure and function of their cardiovascular system.

FORMULA (#7083)

4 Capsules Contain:

Beta Carotene	2,500	I.U.
Vitamin B-1(Thiamin)	25	mg
Vitamin B-2(Riboflavin)	15	mg
Niacin	200	mg
Niacinamide.....	50	mg
Vitamin B-5	50	mg
Vitamin B-6	25	mg
Vitamin B-12	50	mcg
Vitamin C	250	mg
Hesperidin complex	10	mg
Rutin	5	mg
Bioflavonoids	100	mg
Folic Acid	100	mcg
Vitamin E.....	100	I.U.
Calcium (Citrate complex)	100	mg
Magnesium (Aspartate complex).....	200	mg
Zinc (Amino Acid complex).....	10	mg
Potassium (Aspartate complex)	99	mg
Selenium (Amino Acid complex).....	10	mcg
Copper (Sebecate complex).....	2	mg
Chromium (GTF).....	200	mcg
Manganese (Aspartate complex)	5	mg
Iodine (Kelp)	20	mcg
Molybdenum (Krebs)	10	mcg
Vanadium (Krebs)	10	mcg
Boron (Citrate).....	2	mg
Garlic (Odor modified).....	100	mg
L-Carnitine	50	mg
Taurine.....	50	mg

Omega-3 Fatty acids.....	100 mg
(Marine lipid concentrate)	
Guar Gum.....	50 mg
Mucopolysaccharides.....	50 mg
(Chondroitin sulfate)	
Pectin.....	50 mg
Choline Bitartrate.....	500 mg
Inositol.....	50 mg
Lecithin (soya).....	100 mg
L-Methionine.....	20 mg
Bromelain.....	50 mcu
Betaine HCl.....	50 mg

SUGGESTED USE

Adults take 4 capsules daily with meals or as directed by physician.

SIDE EFFECTS

No adverse side effects reported.

STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.
