

G.F.S.-2000 Capsules™

Green food supplement

DESCRIPTION

G.F.S.-2000 Capsules™, provided by Douglas Laboratories®, is a concentrated, all-natural blend of premium grass and vegetable powders, botanical extracts, as well as pre- and probiotics.

FUNCTIONS

G.F.S.-2000 Capsules™ provide a wide variety of vitamins, minerals, enzymes, antioxidants, essential amino acids, and other important phytonutrients. Gluten-free grasses and several varieties of microalgae supply chlorophyll, carotenes, B-vitamins, and trace elements. Cruciferous vegetables, broccoli and cauliflower, offer protective sulfurophane compounds known for their ability to induce phase 2 detoxifying enzymes. Dairy-free probiotic cultures provide friendly bacteria for the gastrointestinal tract and are nourished by fructooligosaccharides that selectively feed beneficial colonic microorganisms. Flavonoid-rich plant extracts, lecithin, and other nutrient-dense foods offer a variety of additional benefits, including antioxidant activity.

INDICATIONS

G.F.S.-2000 Capsules™ may be a useful dietary supplement for those who wish to supplement their diet with this concentrated phytonutrient blend of grasses, vegetables, botanicals, and probiotics.

FORMULA (#7704)

Nine capsules contain:

Green Food Supplement 4,750 mg

Providing:

Wheat Grass Juice Powder 200 mg

Barley Grass Juice Powder 200 mg

Alfalfa Grass Juice Powder..... 200 mg

Green Papaya..... 200 mg

Blue Green Algae:

Spirulina 400 mg

Chlorella (cracked cell)..... 400 mg

Broccoli (freeze-dried powder)..... 400 mg

Cauliflower (freeze-dried powder) 400 mg

Lecithin (Soya, with Phosphatidylcholine).. 1,000 mg

Wheat Sprout Powder (gluten-free)..... 200 mg

Acerola Berry Juice Powder 150 mg

Beet Juice Powder 100 mg

Spinach/Octacosanol Powder 250 mg

Dunaliella salina 25 mg

Green Tea Extract (60% catechins) 25 mg

Milk Thistle 25 mg

(*Silybum marianum* , 80% silymarin)

Ginkgo biloba 20 mg

(24% ginkgoflavonglycosides, 6% terpenes)

Bilberry (25% anthocyanidins)..... 20 mg

Proanthocyanidins..... 20 mg

(as Grape Seed Extract OPC 85+ and Pine Bark Extract OPC 85)

Probiotic Cultures (dairy free) 5 billion C.F.U.

(as *Lactobacillus acidophilus* [DDS-1™], *L. rhamnosus*, *L. bifidus*, *Bifidobacterium lactis*, *B. longum*, *B. bifidum* and *Streptococcus thermophilus*)

Fructooligosaccharides (FOS) 500 mg

NutraFlora™

In a base of Apple Pectin, Bromelain (flower stem, pineapple plants), Parsley, Celery and Watercress

SUGGESTED USE

Adults take 3 capsules, 2 to 3 times daily or as directed by physician.

SIDE EFFECTS

No adverse effects have been reported

STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.
