SUPPORTING ATHLETE HEALTH AND PEAK PERFORMANCE‡

Klean Athlete® offers a comprehensive selection of products to support optimal health of the everyday athlete. This bestselling bundle was designed with your customers in mind, to help you stock products they're looking for, while delivering profit to your pharmacy.‡

KLEAN BCAA + PEAK ATP®

Supplies a 2:1:1 ratio of the branched-chain amino acids leucine, isoleucine and valine, as well as 400 mg of ATP in each serving to provide a direct source of energy to the muscles for performance and recovery.‡

KLEAN COLLAGEN+C

Drink mix that contains easily-absorbable collagen peptides combined with naturally-sourced vitamin C from organic amla fruit for joint and connective tissue support.‡ Available in 3 flavor options: Unflavored, Tropical Fruit and Natural Berry.

KLEAN CREATINE

Contains 5 g of pure creatine monohydrate to support muscle strength, performance and recovery.‡

KLEAN ESSENTIAL AMINOS +HMB

Natural orange-flavored, leucine-rich blend of essential amino acids combined with HMB®, vitamin D₃ and glutamine to help build & preserve lean muscle mass.‡

KLEAN HYDRATION

Consists of 6% carbohydrates with additional minerals for the replacement of fluid and electrolytes lost through sweat during physical activity.‡

MyHMB® Nutritional uses of Calcium β-Hydroxy-β-Methylbutyrate Monohydrate (HMB) and Vitamin D are licensed to Klean Athlete under U.S. Patent # 8,815,280, # 9,259,430, #9,539,224 and #9,707,241

KLEAN ISOLATE

Clean whey protein isolate that can be mixed with milk, or water, blended in a smoothie or shake or added to any recipe to enhance daily protein and amino acid intake. Available in 4 flavor options: Unflavored, Vanilla, Chocolate, and Strawberry.

KLEAN JOINT & MUSCLE

Plant-based formula to support joint comfort and flexibility, muscle recovery and cartilage health.‡

KLEAN PRE-WORKOUT

Uniquely formulated with beet root extract along with vitamin C and organic caffeine to support athletic endurance and performance.‡

KLEAN RECOVERY

Delicious milk chocolate-flavored powder formulated with the athlete's recovery in mind. Its 4:1 ratio of carbohydrates to protein helps support glycogen re-synthesis and muscle protein synthesis immediately after a workout.‡

KLEAN SR BETA-ALANINE

Delays fatigue, supports muscle endurance and supports exercise capacity during short periods of intense effort.‡

“ I am a Klean Athlete because **hard work** and **dedication** alone won't help me achieve my goal. Making sure my body is **fueled with the right supplements** is essential to my training and being at my best when it counts. Klean Athlete is dedicated to producing **high quality** products with **safety** being the top priority. ”
