

C.V. Support Formula™
Cardiovascular Health

DESCRIPTION

C.V. Support Formula™, provided by Douglas Laboratories®, is a unique and comprehensive combination of vitamins, minerals, enzymes, herbals, and other nutrients, carefully formulated and specifically designed to support the healthy structure and function of the cardiovascular system. †

FUNCTIONS

Studies show that a high percentage of adults in North America and other developed countries eat less than the minimum daily allowance of 10 or more essential nutrients. Adequate amounts and proper balance of these nutrients are needed not only for maintaining good health, but also for the dietary management of the body's structure as well as the optimum functioning of its various systems, including the cardiovascular system. C.V. Support Formula™ has been carefully developed to contain the right proportions of vitamins, minerals, trace elements, and other nutrients for optimal health. † Each ingredient is selected in consideration of its absorbability, competitive relationship with other nutrients, allergenic potential, and long-term safety. Certain nutrients such as beta-carotene, vitamin C, vitamin E and B-complex vitamins are included to support the vital roles they play in energy production, antioxidant support and maintenance of healthy blood cells, nervous system, hormonal balance, and more. † Minerals and trace elements are provided in their safest and most bioavailable forms.

C.V. Support Formula™ offers intensive support for the healthy functioning of the body in general including the heart and vascular system, but also a blend of herbs and additional nutrients specifically formulated for maintenance of healthy cardiovascular structure and function.† Herbs such as hawthorn and ginkgo have vasodilatory effects on the cardiovascular system by supporting already healthy blood pressure. † C.V. Support Formula™ also provides potent antioxidant support against free radical-induced oxidative damage to the cardiovascular system.

INDICATIONS

C.V. Support Formula™ may be a useful dietary supplement for those who wish to support the healthy structure and function of their cardiovascular system.

FORMULA (#4550)

4 Tablets Contain:

Vitamin A (25% as Vitamin A Palmitate/75% [15,000 IU] as Beta-Carotene)	20,000 IU
Vitamin C (Ascorbic Acid).....	1,000 mg
Vitamin D-3.....	50 IU
Vitamin E (as d-alpha tocopheryl acetate)	200 IU
Thiamine (as Thiamine HCl).....	50 mg
Riboflavin.....	25 mg
Niacin/Niacinamide	120 mg
Vitamin B-6 (as Pyridoxine HCl/ Pyridoxal-5-Phosphate Complex)	25 mg
Folic Acid.....	800 mcg
Vitamin B-12.....	100 mcg
Biotin	300 mcg
Pantothenic Acid	150 mg
(as d-Calcium Pantothenate)	
Calcium (from Calcium Citrate/Ascorbate/ Carbonate Complex)	300 mg
Magnesium (from Magnesium Aspartate/	

C.V. Support Formula™
Cardiovascular Health

Ascorbate/Oxide Complex)	300 mg
Zinc (from Zinc Aspartate/Krebs†/ Oxide Complex)	20 mg
Selenium (Organic Selenium from Krebs† Cycle and Kelp)	200 mcg
Copper (from Krebs†)	2 mg
Manganese.....	15 mg
(from Manganese Aspartate/Sulfate Complex)	
Chromium (Organically bound with GTF activity–low allergenicity).....	200 mcg
Molybdenum	50 mcg
(from Molybdenum Krebs†)	
Potassium.....	75 mg
(from Potassium Aspartate/Chloride Complex)	
Choline (from Choline Citrate/Bitartrate)	20 mg
Inositol	25 mg
Citrus Bioflavonoid Complex	100 mg
PABA (para-Aminobenzoic Acid)	50 mg
Vanadium (from Vanadium Krebs†)	25 mcg
Boron (from Boron Aspartate/ Citrate Complex)	1 mg
Trace Elements (from Sea Vegetation)	100 mcg
C.V. Support Proprietary Blend.....	500 mg
EDTA, Lecithin Complex (Soya) (yielding Phosphatidylcholine Phosphatidylethanolamine and Phosphatidylinositol), Muco-polysaccharides, Polysaccharides, Betaine HCl, L-Carnitine, Garlic (bulb), Pepsin 1:10,000, Papain 12M, Trypsin, Chymotrypsin, Cayenne (fruit), Chickweed (aerial part), Hawthorne (berry), Pectin, Mistletoe (entire plant), Alfalfa (leaf), Ginger (rhizome), L-Cysteine/N-Acetyl-L-Cysteine, L-Methionine, Coenzyme Q-10/Ubiquinone, Ginkgo biloba (leaf) (standardized extract providing a minimum of 24% total ginkgo flavone glycosides and 6% total terpenes), Bromelain (minimum 2000 m.c.u.), Pantethine and Glutamic Acid HCl.	

†Krebs = Citrate, Fumarate, Malate, Glutarate and Succinate Complex

SUGGESTED USE

Adults take 4 Tablets daily with meals or as directed by a healthcare professional.

SIDE EFFECTS

No adverse side effects have been reported.

STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.
