

Douglas Laboratories®

Live Educational Events 2018

As an industry leader, we believe it's our responsibility to pioneer and share new research that will help healthcare practitioners and their patients in their drive to live longer, healthier lives. As part of that mission, we collaborate with our clinical advisors, who are experts in their fields, to bring you live, educational events year-round to help make the critical link between research findings and clinical application. We hope to see you at one of our upcoming events this year.
