Ultra Osteo-Guard® plus Bonolive®

The first combined, dairy-free supplement for bone and joint health[‡]

Ultra Osteo-Guard® plus Bonolive® promotes bone health and supports joint comfort with 2 patented ingredients.[‡]

- **Bonolive®** is a unique olive leaf extract standardized to 40% oleuropein content that has been shown in various studies to **promote bone formation and support joint comfort.**[‡]
- **KoAct®** is a calcium-hydrolyzed collagen chelate that was shown in a clinical study to support a healthy BAP/TRAP5b ratio, a biomarker of **bone synthesis and resorption.**[‡]

PRODUCT DETAILS

Formula	Size
202461	60 Tablets
	120 Tablets

Suggested Usage: 2 tablets, 2 times daily

PL Denotes professional label-eligible formula

Bonolive® moderates knee discomfort while walking in healthy adults: Results from a randomized, controlled clinical trial[‡]

In a 6-month clinical trial of 124 adults aged >55 y, Bonolive® (250 mg/day) helped to moderate knee joint discomfort associated with walking. Results were significant in subjects with the highest discomfort ratings at baseline. Data shown here reflect the mean scores (+/- SEM) from this group only.[‡]

Bonolive® supports quality of life in adults with knee discomfort: Results from a randomized, controlled clinical trial[‡]

Bonolive® supplementation improved quality of life score. Results were significant in subjects with the highest discomfort ratings at baseline. Data shown here reflect the mean scores (+/- SEM) from this group only.[‡]
