

# BerryCaff™ Energy

A delicious, strawberry-flavored powder containing naturally occurring caffeine and polyphenols from Coffeeberry® organic whole coffee fruit, alongside seven plant-based ingredients, shown to:

Provide energy support for alertness, mental focus and physical performance‡

Increase nitric oxide levels for better blood flow and oxygen delivery‡

Protect cells against oxidative stress and free radicals‡

GREAT-TASTING POWDER FORMULA FOR **ALERTNESS AND PERFORMANCE** SUPPORT—ALSO AVAILABLE IN STICK PACKS FOR THOSE **ON-THE-GO!**‡

## FEATURED INGREDIENTS

**Coffeeberry®** is organic whole coffee fruit, containing **naturally occurring caffeine and polyphenols**. Research indicates that caffeine supports:

- Encoding of new information and delaying fatigue‡
- Cognitive behavior by promoting alertness, vigilance, attention and reaction time‡

**S7®** is a combination of **seven plant-based ingredients** clinically shown to enhance nitric oxide levels and support mitochondrial antioxidant activity‡

- Nitric oxide has been shown to support endothelial cell viability against free radicals‡

Grab a water bottle and mix in a scoop or single-serving stick pack for on-the-go energy support.‡
