

## Astragalus Max-V

### DESCRIPTION

Astragalus Max-V, provided by Douglas Laboratories®, supplies 500 mg of standardized Astragalus in a vegetarian capsule.

### FUNCTIONS

Astragalus (*Astragalus membranaceus*) is a common herb that has been used medicinally since ancient times among various cultures. Astragalus has been a popular herb in Chinese Medicine supporting the cardiovascular, renal and hepatic systems. Often used in combination with other herbs, Astragalus is mostly known for its immune-modulating properties. † Researchers have indicated that Astragalus can have beneficial effects on the immune system by binding and activating B-cells and macrophages, stimulating lymphocytes and providing antioxidant properties. †

### INDICATIONS

Astragalus Max-V may be a useful dietary supplement for individuals wishing to support their immune system.

### FORMULA (#77304)

Each Vegetarian Capsule Contains:

Astragalus .....500 mg  
(*Astragalus membranaceus*, root)  
Standardized to provide 1.5 mg astragalosides  
Astragalus (*Astragalus membranaceus*, root).....50 mg  
(non-standardized)
