

Licorice Root-V (Deglycyrrhizinated)

DESCRIPTION

Licorice Root-V, provided by Douglas Laboratories, supplies 300 mg of deglycyrrhizinated licorice root per each vegetarian capsule.

FUNCTIONS

Licorice has been used in Traditional Chinese Medicine for hundreds of years to support the body, including the gastrointestinal system. It was often used as a demulcent, to soothe and coat the stomach and throat.

Licorice Root (*Glycyrrhiza glabra L.*) contains a glycoside (glycyrrhizin), flavonoids, asparagine, isoflavonoids, chalcones and coumarins. Deglycyrrhizinated licorice is used for people who have or are susceptible to high blood pressure.

INDICATIONS

Licorice Root-V may be a useful dietary adjunct for individuals wishing to supplement with this popular herb.

FORMULA (#77355)

1 Vegetarian capsule Contains:

Deglycyrrhizinated 300 mg
Licorice Herbal Extract (root)
(*Glycyrrhiza glabra L.*)
Standardized to provide less than 3% glycyrrhizin

SUGGESTED USE

Adults take 1 capsule twice daily between meals or as directed by a healthcare professional. If digestive irritation occurs, take with food.

SIDE EFFECTS

No adverse side effects have been reported.

STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.

Licorice Root-V (Deglycyrrhizinated)
