

Vitamin D Gummy

NATURAL RASPBERRY FLAVOR

Convenient vitamin D gummy to promote healthy immune function and cellular function for ages 4 and up.†

Vitamin D Gummy offers 25 mcg (1,000 IU) of vitamin D combined with an organic berry/fruit blend to support:

Healthy immune function†

Cellular health and metabolism†

Respiratory health†

FORMULATED FOR PATIENTS WHO NEED ADDITIONAL IMMUNE, CELLULAR, OR RESPIRATORY SUPPORT.†

INGREDIENT BENEFITS

The role of Vitamin D in immune health has long been established. Vitamin D receptors are found on a number of immune cells, including lymphocytes and macrophages, and support healthy immune cell activation.^{1,2} In addition, a meta-analysis of 25 trials indicates that vitamin D supplementation supports respiratory health.^{3†}

Each gummy contains the same amount of vitamin D as 5.28 oz. of salmon.*
